

## **Actions and Truth**

***1 John 3:18***

There must always be a “lived out” reality to our faith in Jesus.

***Matthew 7:21***

***James 2:17***

***Luke 9:23***

### **The Simple Life of the Discipleship Process**

**1. Confess your sin to Jesus and be forgiven. 2. Learn His way to live. 3. Actually live like He says to live.**

When we all start using our time, talents and treasures in conjunction with our heads, hearts and hands amazing things will happen in and around us.

***Proverbs 4:23***

***1 John 2:6***

If we want to live as Jesus did then we must embrace the fact that we are people who “go.”

Each of our faiths must move from an intellectual agreement to the facts to the reality of a deep heart felt desire to actively please God and care for people.
