

His 21- Authority

Ephesians 4:11-13

Paul is not giving us a blueprint for “a church”, he is giving us parameters for “a Christ centered atmosphere.”

2 Corinthians 11:14-15

One of the greatest callings of the church is to be an atmosphere that exhibits, promotes, encourages, and holds people accountable to living holy lives.

What we as a church believe about the Bible is foundational to giving us the unity of faith that this section of scripture is calling us to.

2 Timothy 3:16-17

The authority of Scripture means that all the words in Scripture are God's words in such a way that to disbelieve or disobey any word is to disbelieve or disobey God.

The Holy Spirit is necessary for esteeming, understanding and applying scripture to our lives.

1 Corinthians 2:14

We cannot be in agreement about many of the questions that divide our culture and world if we are not in agreement as to where our answers to those questions come from.
