Luke 8:4-8

Luke 8:9-10

Accepting the call of Jesus takes spiritual eyes and ears to grasp the immensity of just what he is asking of us.

Ephesians 1:18

Luke 8:11-15

There is one type of soil but the soil is in four different conditions or abilities to relieve the seed.

Hard Soil

As followers of Jesus we have to pray for Jesus to make profound impact on the lives of people who are not receptive to his message.

Rocky Soil

Unless we do the hard work that goes with repentance it will be only a matter of time before our exterior can no longer mask our interior.

So then, just as you received Christ Jesus as Lord, continue to live your lives in him, Colossians 2:6

Thorny Soil

People who attempt to have both God's way and their's are deluding themselves about the true condition of their faith.

If we chased after God with one quarter of the passion that we chase meaningless things with our lives would be instantly transformed.

Good Soil.

A good and honest heart is truthful about themselves with God.

Test me, Lord, and try me, examine my heart and my mind; Psalm 26:2

The proof of the soil is revealed in the plant.
