

Advent Week 1- With Us

John 1:1-5

John 1:14

The eternal, infinite God became a man in the person of the Lord Jesus Christ and made his dwelling not only with us but as one of us.

In order to believe rightly about God we must believe rightly about Jesus because they are one in the same.

Hebrews 10:4

The virgin birth of Jesus is an unmistakable reminder of the fact that salvation can never come through human effort and is always the supernatural work of God.

Matthew 1:22-23

Isaiah 7:14

“O Come, O Come, Emmanuel, and ransom captive Israel. That mourns in lonely exile here, Until the Son of God appear.”

Exodus 19:5,8

When we fall back into brokenness and sin as we often do, we have to return to our covenant vow to honor God by putting Christ first.

Luke 2:8-12

Advent is a time to reflect on who Jesus really is and as important who He wants us to be.
